AWCC Form 1
(Employer's First Report of Injury or Illness)

Ark. Code Ann. § 11-9-529 allows employers 10 days to report injuries. Those involving either more than 7 days of lost time or indemnity payments require **Form 1**. Also, a Form 1 is required for all controversions including a medical-only case. Self-insured employers file **Form 1** with the AWCC; other employers send it to their insurance representatives.

Employers do **NOT** fill in the shaded areas.

On **Form 1**, employers/carriers must:

1. In the **Occurrence Section** list the date the employer first knew of the injury. The 10 days to report begin either on the date of disability **or** the date the employer was notified, whichever date is later.
2. Give the name of the carrier. An insurance agency or third party administrator should be listed in the **Preparer's Section**. A carrier can pre-print its name and address in the **Carrier Section** to help clients properly report.
3. Specify the carrier Federal Employer Identification Number (FEIN) in the **Carrier Section**.
4. Type or print in ink. An illegible, incomplete **Form 1** will be returned.

Neglect of **Form 1**: Late employee benefits, exposing employers to fines.

Lack of **Form 1**: Delays in insurance investigation.

General inquiries on Form 1 can be answered by the AWCC Support Services Division. Questions on a specific Form 1 may be directed to the Research and Statistics Section, which processes the accident reports. (1-800-622-4472 or 501-682-3930).

Ark. Code Ann. §11-9-106(a): "Any person or entity who willfully and knowingly makes any material false statement or representation, who willfully and knowingly omits or conceals any material information, or who willfully and knowingly employs any device, scheme, or artifice for the purpose of: obtaining any benefit or payment; defeating or wrongfully increasing or wrongfully decreasing any claim for benefit or payment; or obtaining or avoiding workers' compensation coverage or avoiding payment of the proper insurance premium, or who aids and abets for any of said purposes, under this chapter shall be guilty of a Class D felony. Fifty percent (50%) of any criminal fine imposed and collected under this section shall be paid and allocated in accordance with applicable law to the Death and Permanent Total Disability Trust Fund administered by the Workers' Compensation Commission."
