

EMPLOYER'S FIRST REPORT OF INJURY OR DISEASE

Fatal Injuries: Employers subject to ch.102, Wis. Stats., must report injuries resulting in death to the Department and to their insurance carrier, if insured, within one day after the death of the employee.

Non-Fatal Injuries: If the injury or occupational illness results in disability beyond the three-day waiting period, the employer, if insured, must notify its insurance carrier within 7 days after the injury or beginning of disability. Medical-only claims are to be reported to the insurance carrier only, not the Department.

Electronic Reporting Requirement: All work-related injuries and illnesses resulting in compensable lost time, with the exception of fatalities, must be reported electronically to the Department via EDI or Internet by the insurance carrier or self-insured employer within 14 days of the date of injury or beginning of disability. Employer may fax claims for fatal injuries to (608) 267-0394.

Name and Address of Treating Practitioner and Hospital: <i>Dr. Laura Chen, Aurora Urgent Care, 215 N Water St, Milwaukee, WI 53202</i> Case Number from the OSHA Log: <i>2024-017</i> Phone: <i>(414) 555-0142</i>							
Injury Description - Describe Activities of Employee When Injury or Illness Occurred and What Tools, Machinery, Objects, Chemicals, Etc. Were Involved. <i>Employee was lifting and moving boxes of printed brochures (approximately 35 lbs each) from a waist-high storage rack to a rolling cart for an off-site client meeting. A box, metal storage rack, and a two-shelf cart were involved. While repositioning a box onto the cart, employee twisted at the waist to avoid a coworker passing behind. What Happened to Cause This Injury or Illness? (Describe How The Injury Occurred) While turning to set a 35-lb box onto a cart, employee rotated her torso without moving her feet, resulting in an acute twisting motion and immediate sharp pain in the lower back. No slip or fall occurred; injury was due to overexertion and awkward while lifting. What Was The Injury or Illness? (State the Part of Body Affected and How It Was Affected) Lumbar strain to the lower back musculature with localized pain, muscle spasm, and limited range of motion. No radiating numbness reported. Treated conservatively with rest, NSAIDs, and light-duty recommendation.</i>
